Strategic Direction 1

Advance the *Community First* Philosophy

CLPS believes in *Community First*, which means using community services instead of having our own

Strategic Direction 2

Enhance Family Engagement

Help families get more involved. Family can also include close friends and family home providers.

Strategic Direction 3

Enhance Governance

Make the Board better

Strategic Direction 4

Initiate Succession Planning

Get staff ready for job changes

Service Principles

- Services and supports will be based on people's needs.
- Staff will work with people to fulfill their needs.
- Staff will work together to help people do the things they want to do.
- Staff will see people in the community as being able to help make things happen.
