Responsibilities

☒ Sell appropriate items.

- This is a yard sale, not a market: you must have gently used items for sale. In addition, you may sell homemade crafts and plants.
- Items should be in good condition for re-sale. Please don't bring anything that is soiled or damaged.
- Items that may NOT be sold include food, drinks, weapons, illegal items, restricted items, and anything that does not meet Community Living's standards of respect. Details are in the [Terms & Conditions](#).

☒ Run your yard sale independent of Community Living Parry Sound.

- Community Living may not be involved in your transactions. For example, deals cannot be made to pick up items from CLPS locations at a later date or time.
- In other words, sales, transport, holding, delivery, and disposal of items is up to you!

☒ Handle your own finances.

- Money you earn is yours to keep!
- Bring what you need to accept payments & make change

☒ Leave nothing behind.

- Take unsold items with you, and leave your spot as you found it.

Encouraged (But Not Required)

- Please help us promote the event. The bigger the turnout, the better! We will send you promotional materials you can share online. Word of mouth is fabulous, too!
- We humbly ask all sellers to consider donating a portion of your total sales to Community Living Parry Sound. 10% is recommended.
